

World Expo

Looking like the setting for an international exposition, World Expo is a blend of the futuristic and the retro. Here you'll find the 1964 World's Fair exhibit "The Universe and You," which may not be what it appears.

The Simpsons Ride™

Minimum Height 40" (101.6 cm) Under 48" (121.9cm) Supervising Companion Required

Grab a seat with The Simpsons™ on a virtual reality roller coaster ride. As the journey begins, someone is sabotaging Krustyland, Krusty the Clown's low-budget theme park, and you'll smash and blast through the park with Homer, Marge, Bart, Lisa and Maggie in an over-the-top non-stop adventure

FEAR FACTOR LIVE

Parental Advisory

Put yourself to the test at the most extreme audience participation show ever. Compete against other guests as you perform gravity-defying stunts live in front of thousands. Come eye-to-eye with creatures from your nightmares as they creep and crawl across your skin. Whether you take part in the stunts or just watch the action from your seat, it's unscripted, unpredictable, and unlike anything you've ever seen before.

MEN IN BLACK™ Alien Attack™

Minimum Height 42" (106.7 cm) Under 48" (121.9cm) Supervising Companion Required

New York has been hit by an epidemic of aliens and it's up to you, Agent Trainee, to blast them into oblivion. You'll need a good eye and steady hand on your laser gun to zap those little suckers at just the right second.

But be warned—they zap back! And if they hit your car, it'll spin out of control. The more of them you hit, the more points you get. The more points you get, the closer you'll be to becoming a full-fledged MEN IN BLACK™ agent. The fate of the Earth is in your hands.

Kang & Kodos' Twirl 'n' Hurl

Under 48" (121.9cm): Supervising Companion Required

Calling all Earth-Humans: Kang and Kodos, those dastardly, domed, drooling aliens from The Simpsons™, have landed at Universal Studios Florida™ with a ride that'll send your stomach into the stratosphere.

Pilot your very own flying saucer, swooping up and down as you circle one of the animated alien fiends from Rigel 7. You're starring in your own Treehouse of Horror alongside outer space's most famous slimy, green creature. And while you're spinning, say hello to many of your favorite Springfield citizens
